

# NMRC

## Membership Application

---

By completing and returning this application your team/school is agreeing to join the NMRC (Northern Minnesota Robotics Conference). NMRC is the first FIRST robotics conference recognized by the MN State High School League. It is our hope that by joining this conference teams are able to share information and organize to promote STEM and FIRST in the greater Minnesota area. The information provided may be shared with other NMRC members.

Once received your application will be brought before the NMRC membership for a vote for admittance. The NMRC, like many other MSHSL conferences, does have dues. These dues help support all conference initiatives, operating expenses and our members and are your team's registration for the Conference Championship event. If approved you will receive an invoice from the NMRC for membership dues.

Signing and submitting this form grants operational authority to the NMRC for all conference activities & business, and is expressly given by the member school/team joining the NMRC.
